Report of Principal and School Improvement Council

Socastee Elementary had another busy and rewarding 2010-11 school year. We started the new year with school wide class meetings for parents, as we continued activities that involved parents through our parenting program. Our third grade students went to Ft. Sumter, our fourth grade had a step back into Colonial times, as our Fifth graders spent three days at Camp Kate. We had Diamond Dell, the Children's Museum, a Table Manner Day, along with many more activities and celebrations. We continued to emphasize and model lifeskills throughout our curriculum and day in having high expectations for children in being good citizens. Students, parents, and the community raised money for: The Polar Plunge, March of Dimes and American Heart Association Jump Rope for Heart. Computer assistance was offered in math and ELA, along with Homework helper time each morning. We added an additional technology lab which now gives us three labs to use daily for all grade levels. Our Title One funds supported an instructional coach, reading recovery, interventionists, parent workshops, and site visits from consultants for our staff.

Kindergarten assistants and interventionists worked with students in small groups to improve student literacy skills with BURST interventions. Students received instruction on their level in reading and math focus groups. Planning and instruction was based around the data from MAP (Measuring Academic Progress, DRA2, Dibels, student work and responses. Teacher, administration, and student conferences were held throughout the year to determine student achievement goals and assess the progress toward those goals. The dedication and commitment of the Socastee teachers and staff provided for a productive year.

PTO sponsored a successful fundraiser, family events, and student reward programs. PTO also purchased a piece of playground equipment, and sponsored family movie nights. Spring Fling, Choral Presentations, and 3rd, 4th, and 5th grade year end celebrations were other events that PTO sponsored.

Community support came in generous gifts from the "Caring for Kids" organization on a weekly basis. Along, with a \$750 grant from Sam's. Many other community businesses provided rewards to students in the form of coupons and certificates for achievement and attendance. Many hours of volunteers' time were logged by helping students with academic and character development. We worked closely with Coastal Carolina University to sponsor mentors in grades K-5 and with Socastee High School.

We continue to strive everyday to provide students with a stable quality environment where students can achieve his or her potential.
